## Afkos Manufactured Drill Subs

| Part Number | Description                                 | Material Grade | Overall Length (MM) |
|-------------|---------------------------------------------|----------------|---------------------|
| AM4554      | BO rod box - BO rod pin                     | 1541           | 150                 |
| AM4555      | BO rod box - NO rod pin                     | 4140           | 180                 |
| AM4556      | NO rod box - BO rod pin                     | 4140           | 180                 |
| AM4557      | HO rod box - BO rod pin                     | 4140           | 180                 |
| AM4558      | NO rod box - NO rod pin                     | 1541           | 150                 |
| AM4559      | HO rod box - NO rod pin                     | 4140           | 180                 |
| AM4560      | NO rod box - HO rod pin                     | 4140           | 180                 |
| AM4561      | HWT rod box - NO rod pin                    | 4140           | 180                 |
| AM4562      | NQ rod box - HWT rod pin                    | 4140           | 180                 |
| AM4563      | HO rod box - HO rod pin                     | 1541           | 150                 |
| AM4563      | HO rod box - HO rod pin                     | 4140           | 150                 |
| AM4564      | HO rod box - HWT rod pin                    | 4140           | 180                 |
| AM4565      | HWT rod box - HO rod pin                    | 4140           | 180                 |
| AM4566      | HWT rod box - HWT rod pin                   | 1541           | 150                 |
| AM4567      | BO rod pin to BO rod pin                    | 1541           | 450                 |
| AM4568      | BO rod box to BO rod box                    | 1541           | 450                 |
| AM4569      | BO rod pin to BO rod box                    | 1541 Chromed   | 900                 |
| AM4570      | NO,HO,HWT rod pin to 4 1/2 API box thread   | 750V           | Special             |
| AM4604      | NO rod pin to 4 1/2 API regular box         | 4140           | 200                 |
| AM4605      | HO rod pin to 4 1/2 API regular box         | 4140           | 200                 |
| AM4606      | HWT rod pin to 4 1/2 API regular box        | 4140           | 200                 |
| AM4607      | NO rod pin to 3 1/2 API Internal Flush pin  | 4140           | 200                 |
| AM4608      | HO rod pin to 3 1/2 API Internal Flush pin  | 4140           | 200                 |
| AM4681      | HO rod pin to 3 1/2 API Internal Flush box  | 4140           | 200                 |
| AM4609      | HWT rod pin to 3 1/2 API Internal Flush pin | 4140           | 200                 |
| AM4610      | AW rod pin to NO rod pin                    | 4140           | 180                 |
| AM4611      | AW rod pin to HO rod pin                    | 4140           | 180                 |
| AM4612      | AW rod pin to NW Casing pin                 | 4140           | 180                 |
| AM4613      | AW rod pin to HW Casing pin                 | 4140           | 200                 |
| AM4614      | BW rod pin to NO rod pin                    | 4140           | 180                 |

|                |                                           |      |     |
|----------------|-------------------------------------------|------|-----|
| AM4615         | BW rod pin to HO rod pin                  | 4140 | 180 |
| AM4616         | BW rod pin to NW Casing pin               | 4140 | 200 |
| AM4617         | HO rod pin to HW Casing pin               | 4140 | 200 |
| AM4618         | NO rod box to NW Casing pin               | 4140 | 200 |
| AM4619         | BW rod pin to HW casing Pin               | 4140 | 200 |
| AM4620         | HO rod box to HW casing pin               | 4140 | 200 |
| AM4623         | NW casing pin to NO rod pin               | 4140 | 200 |
| AM4624         | NW casing pin to HO rod pin               | 4140 | 200 |
| AM4625         | HO rod box to HWQ rod pin                 | 4140 | 200 |
| AM4626         | NO rod box to NT rod pin                  | 1541 | 200 |
| AM4627         | NT rod box to NO rod pin                  | 1541 | 200 |
| AM4628         | HO rod box to HT rod pin                  | 1541 | 200 |
| AM4629         | HT rod box to HO rod pin                  | 1541 | 200 |
| AM4634         | HO rod box to 2. 3/8 API regular box      | 4140 | 200 |
| AM4636         | NW rod pin to NO rod pin                  | 4140 | 200 |
| AM4638         | NW rod pin to HO rod pin                  | 4140 | 200 |
| AM4639         | NW rod pin to NW casing pin               | 4140 | 200 |
| AM4640         | NW rod pin to HW casing pin               | 4140 | 200 |
| AM4641         | HO rod box to NT rod pin                  | 4140 | 200 |
| AM4680         | HO rod pin to NT rod box                  | 4140 | 200 |
| AM4642         | NW rod pin to NT rod pin                  | 4140 | 200 |
| AM4643         | 3. 1/2 API Int Flush Pin to HW casing pin | 4140 | 200 |
| AM4682         | 3. 1/2 API Int Flush Box to HW casing pin | 4140 | 200 |
| AM4644         | 3. 1/2 API Int Flush Pin to NT rod pin    | 4140 | 200 |
| AM4683         | 3. 1/2 API Int Flush Box to NT rod pin    | 4140 | 200 |
| AM4645         | NT rod box to NT rod pin                  | 1541 | 180 |
| AM4645         | NT rod box to NT rod pin                  | 4140 | 180 |
| AM4655         | BW rod pin to NT rod pin                  | 4140 | 200 |
| AMNO4671SHORT  | NO Inner Tube Shorts                      | 1541 | 310 |
| AMHO4672SHORTS | HO Inner Tube Shorts                      | 1541 | 290 |
| AMPO4673SHORTS | PO Inner Tube Shorts                      | 1541 | 280 |
| AM4674         | PWT rod box to PW Casing pin              | 1541 | 210 |
| AM4675         | PWT rod pin to PW Casing box              | 1541 | 210 |
| AM4678         | NO rod box to HW Casing pin               | 4140 | 200 |
| AM4679         | HT rod box to HT rod pin                  | 4140 | 180 |
| AM4699         | 2. 7/8 API regular pin – HO rod pin       | 4140 | 240 |
| AM4700         | 2. 7/8 API regular pin to HW Casing pin   | 4140 | 280 |
| AM4701         | 2. 7/8 API regular pin to NT rod pin      | 4140 | 240 |
| AM4702         | NW rod pin to HWT rod pin                 | 4140 | 210 |
| AM4703         | BW rod pin to HWT rod pin                 | 4140 | 210 |

|            |                                                |       |     |
